We design.

– O'Matic, 18th November 2025 –

« Most people make the mistake of thinking design is what it looks like. People think it's this veneer -- that the designers are handed this box and told, 'Make it look good!'

**That's not what we think design is. It's not just what it looks like and feels like. Design is how it works. »**

– Steve Jobs, New York Times, 30th November 2003 –
